### **Packet for 6<sup>th</sup> Grade Beginning Band**

This packet includes the following:

1. Brief description of the process
2. Band calendar/fees/communication
3. Band student info form- please sign, cut, & return

#### **→FIRST OF ALL... - DO NOT GO OUT AND BUY AN INSTRUMENT YET!**

No instrument has been assigned to a student, unless you have already spoken to the Band Director. ☺ There are many students signed up for the Beginning Band classes, and it is our responsibility to place each student with the correct instrument that fits them and they like.

\*The process for “fitting” a student to a band instrument is very unique and fun. The experience of the Band Director is very critical to this “fitting” process because getting ‘it’ wrong can be frustrating to the student in their musical journey. Most students can be fitted to most instruments. But, there are a few instruments that require specific physical qualities in order for success. We ask parents to trust the process and to not allow their past experiences to influence the “fitting” process.

\*The list of instruments and their descriptions can be found here:

#### **BAND IS FUN!!! But- There is an Academic Commitment AND a Financial Commitment.**

#### **2022-23 BAND FEES for Band 1: Beginning Band → \$120 [Due on August 31]**

Band fee (fair-share) is the amount that each student is responsible for contributing to the band program. Some people believe that the school or county should fund the band programs. Wouldn't that be great? That will not happen! So, band programs must fund themselves. -----please pay with cash or a 'good' check made out to: Oakleaf Jr High School Band-----

***This fee pays for band shirts, music, in class supplies, state and district musician fees, & other miscellaneous items/equipment that every band is responsible for in order to exist and perform.***

***Please let me know if other financial arrangements need to be made. My goal is to find a way for every band student to experience performing their instrument for thousands of people at all the events listed on the band calendar.***

**The Band Fee is not the same as the rental fee to the music store and does not include the yearly \$100 rental for school instruments.**

\*Polo sizes come in: Adult Xsmall, Adult S, M, L, XL, XXL, XXXL

\*Note: Please provide the following for your child for the concerts:

UNIFORM -black dress shoes, black dress socks, and black pants. (The band polo is included in the band fees.)

\*Parents must provide the band instrument and instrument care supplies listed on the REQUIRED INSTRUMENT LIST, through any approved music store. Please check the 'Required Instrument' form for acceptable brands.

- **→LOOK! --- There is a separate 'congratulations' form that will list all supplies / instrument stuff you will need to get from the music store. I will pass that out during the first week of school after we know what instrument your student going to play.**
