Attention Parents and Students using a SCHOOL BAND INSTRUMENT

The school band instrument that is checked out to you can be used throughout the summer and next school year.

There will be a \$100 rental fee for the next school year that can be paid with your 'fair share' fee in August → This rental fee is separate from your normal yearly 'Band Fees'.

Please make sure you take care of the instrument, and ***if anything goes wrong- PLEASE EMAIL ME:*** michael.summers@myoneclay.net ! If you cannot get in touch with me, then you need to contact Music & Arts Center on San Jose (904-229-9402) for servicing. **THIS IS THE ONLY MUSIC STORE I USE FOR SCHOOL BAND INSTRUMENT SERVICE AND REPAIR.**

Also, Music Stores are giving great deals on these instruments and this might be a great time to get your student their 'own instrument' instead of using the school band instrument--- there's just something about using your own instrument that feels good. ☺

HAVE A GREAT SUMMER AND MAKE SURE YOU PRACTICE THE REQUIRED MUSIC.
